

Vendor Guidelines:

- Vendor space is available for those who wish to participate, however space is limited. To guarantee availability, submit your application early. Application deadline is September 1, 2010.
- Please submit four (4) photos of work to be exhibited as well as a photo of your booth as it will be displayed. If this is not available, submit a photo of a grouping of artwork displayed as it will be shown in the festival. A panel jury will independently review all entries for quality, originality, diversity, and booth presentation. The goal of the Festival is to present a variety of quality products.
- This year we are adding non-profit educational booths. The booths should display information about sustainable living practices. A panel jury will independently review all entries for their educational benefit. Non-profit educational booths are limited to 10 booths.
- The Festival reserves the right to limit vendors of a particular type to ensure that there is a broad range of types of vendor booths.

Vendor Fees:

- The cost for a 10 x 10 booth is \$75 and a 10 x 20 booth is \$100. Vendors are responsible for their booth, tables, chairs, and canopy if one is desired. Non-profit educational booths are free.
- Vendors need to provide marketing materials to the webmaster so the website can be updated to include your product information. This is a great opportunity for you to advertise.
